CALL FOR TRAINING IN ICT HUMAN RESOURCES INITIATIVE FOR BUSINESS DEVELOPMENT

20 AVAILABLE
SEATS

Reference to the signed MoU between University of Rwanda and JICA on Japanese Technical Cooperation under Kigali-Kobe ICT Human Resources Initiative for Business Development project with the purpose of fostering ICT human resources with the aim of becoming a bridge between Japan and Rwanda's business society.

The ACEIoT in collaboration with JICA will conduct training on ICT Human Resources Initiative for Business Development, which includes Internet of Things and Entrepreneurship courses to enhance the employability of youth in Rwanda and to boost the new employment in Rwanda's ICT Sector. The training will take place at the University of Rwanda, College of Science and Technology in the African Center of Excellence in Internet of Things (ACEIoT) premises for the period of six months from November 2021 to April 2022 for 4 hours per week, two days per week after working hours and sometimes on Saturdays.

Eligible Criteria:

- ACEIoT master's students' cohort 3
- Candidates from Industries with Bachelor in Electronics, Computer science, Computer Engineering and other related fields with IoT experience.

Female candidates are highly encouraged to apply.

Required documents:

- Certified Bachelor degree and transcripts
- IoT Training certificate

Application deadline: 22nd October 2021
